Presents Guest Speaker,

Marivic Dar, CLU[®], ChFC[®], RICP[®]

Financial Advisor, Community Volunteer

Marivic Dar is an advocate for women. This is a passion that she holds near and dear to her heart. She has ushered in a new way of approaching women's advocacy by showcasing women's strength versus depicting them as mere victims. She spearheaded a city project entitled "Financial Independence for Women: We've Heard the Talk, Let's Walk the Talk" by assembling field experts, vendors, and service providers that cater to women's advancement. This project also provided a stage to highlight women entrepreneurs and women leaders. Join us as Marivic takes us through her key points to create a woman's path to success:

- ◆ **Establish your brand:** what comes to mind when your name is mentioned? Need some tips?
- ◆ **Proper positioning in key:** in business; in climbing the corporate ladder; in having healthy relationships; in networking in your community.
- ◆ **Money talks:** Financial self-care for women.
